

# Oreo Cheesecake Balls

From the Kitchen of:  
*Carey C.*

## Ingredients

*1 box Oreo Cookies  
1 block cream cheese, softened  
white melting chocolate*

## Preparation

*Crush Oreos in food processor into a fine powder (yes, the entire Oreo). With your hands, mix the Oreo powder and the softened cream cheese until it forms a solid dough. Put in freezer for an hour or so to harden up a little. Take out and roll into balls. Put back into the freezer until frozen. Take out and dip the balls into the melted chocolate. Place on foil until the chocolate hardens. Put back into freezer. Put the balls into the refrigerator the day before you want to serve. Serve cold.*
