## MILLION DOLLAR VIEWS IN PARADISE VALLEY

Prominently set on over an ACRE lot with commanding Camelback Mountain views, this magnificent estate will take your breath away. Redone in 1997, the elegant plan has vaulted ceilings, thick crown moldings, plantation shutters, rich hardwood floors and Pella view windows. Beautiful dream island kitchen. Magnificent entertaining spaces. Sitting room master with double walk-in closets and spa-inspiring bath. Second fireplace in the office. En-suite bedroom for arriving visitors. Resort oasis with pool and emerald lawn. Incredible pool house.
